- Community announcement

What's been happening at OSHC

Welcome OSHC Families,
This term has been very busy and investigative, and the children have immersed themselves in a number of events at OSHC; Our re-cycling theme was very successful and it is amazing how many great ideas for upcycling and re-cycling activities were achieved—we will continue to embed these ideas into our daily life. Garden Beds were constructed and planted in to start our OSHC gardening program. Discussions on inclusion and diversity prompted from the YES Plebiscite. The Dementia awareness banner project was painted, photographed & hung, again helping to raise awareness on an often taboo subject. Even the sports program got on board and trialled sports activities using re-cycled materials. They discussed what it meant to be a good 'Sports person' and the importance of working positively together. All in all it has been a great tlearning erm, thanx to all the staff, children and their families.

HAVE A SAFE & HAPPY TWO WEEKS!! SEE YOU IN TERM 4

OSHC Team
